Sun Microsystems, Inc., a Delaware corporation having its principal place
of business at 901 San Antonio Road, Palo Alto, California 94303, by and through its

attorneys hereby requests that the Board grant a thirty (30) day extension of time to file a Notice of Opposition to registration of the CYBER JAVA service mark by Applicant in the above-referenced case. The opposition period is presently set to expire April 1, 2002, and the requested extension of time would re-set the opposition deadline to May 1, 2002 for Sun Microsystems, Inc. This is the second request for an extension of the opposition period in this matter.

The extension is required to provide time for counsel to consider the matter, gather information and to confer with the potential Opposer so that a decision can be made as to whether an opposition should be filed. It is believed that this constitutes good cause for the request.

This request is being submitted in triplicate as required by 37 C.F.R. §2.102(d).

Respectfully submitted,

Dated: 3/26/02
